

16.0 PREPARERS

16.1 CONSULTANT STAFF

16.1.1 Roberts, Kemp and Associates LLC

The following consultant personnel contributed materially to and are responsible for the content of the Draft Environmental Impact Report:

- Chad Roberts, Ph.D., Senior Environmental Analyst; original author of EIR sections on physical and biological environment, and primary EIR editor.
- Bruce Kemp, AICP, Senior Environmental Planner; original author of EIR sections on human environment.

16.1.2 Humboldt State University

The following persons contributed to the EIR content under agreements between the District and Humboldt State University:

- Rebecca Degagne, Cartographer; prepared the electronic editions of the planning maps used in the Draft EIR.

16.2 AGENCY STAFF AND DECISION-MAKERS

16.2.1 Humboldt Bay Harbor, Recreation and Conservation District

The following District personnel contributed materially to and are responsible for the content of the Draft Environmental Impact Report:

- David Hull, District Executive Officer; responsible for policy determinations and consistency findings with District's existing management, and partially responsible for technical content review.
- Jeff Robinson, District Conservationist; responsible for technical content review and direct coordination of District's resources with Draft EIR text preparation.

The following District decision-makers were involved in determining the extent of coverage for the subjects in the Draft EIR, but did not participate directly in preparing the text of the Draft EIR:

- Ronnie Pellegrini, Commissioner, First District
- Ron Fritzsche, Ph.D., Former Commissioner, Second District
