To Whom It May Concern,

Based on current soundings we are pleased to announce that draft restriction is increasing from 31 ft. to 38 ft. on a +6.0 ft. tide.

Due to always changing conditions at and around the entrance of Humboldt Bay, draft limitation can change at any time and without warning.

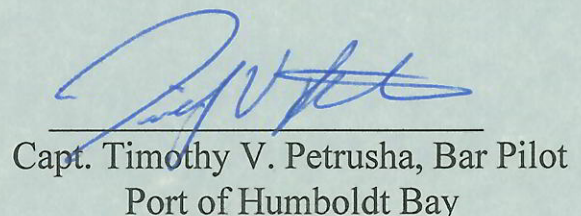

If we can answer any questions or help in any way, please contact us at (707)443-0801 or the numbers listed below.
